## ABOUT US:

Revolution is a grant-funded group which strives to inform teens about the dangers of dating violence, sexual assault, and stalking. We also provide education on the characteristics of healthy relationships.

Revolution is a select group of students ages 14-20 who are committed to increasing awareness among their peers. Revolution's members demonstrate exceptional responsibility and leadership qualities.

## PERFORMANCES:

Revolution members perform a theatre dramatization containing issues related to dating violence, sexual assault, stalking, and healthy relationships. These performances are provided FREE of charge.

Following each performance, Revolution members answer questions and provide education on the above issues.

In addition, interactive presentations and shorter dramatizations may be used for other age groups or specific issues.

## WHY WE DO IT:

Because 54% of parents admit they haven't spoken to their child about dating violence...

Because 1 in 3 girls between 16-18 say sex is expected from people their age if they are in a relationship...

Because 1 in 5 teens who have been in a serious relationship report being hit, slapped or pushed by their partner...

Because 30% of teens say they are text messaged 10, 20 or 30 times an hour by a partner asking where they are, what they're doing or who they're

with...

**Revolution is available to perform at your school or organization!**
